APPEAL (to be tried denovo)

Complainant, houston, lasean de jong, Moor grantee/grantor/ heir/beneficiary, and subject of the Al Marroc Sherrefian Empire, prays for leave of this court, and hereby notices this court of an Appeal, to be tried denovo, in the court of appeals of the united states for the sixth circuit, due to Cause no. 2:21-cv-11888 being treated as a legal proceeding.

As complainant, your orator has prayed for leave of the court to enter the exclusive equity jurisdiction and filed my special Cause in the district court of the united states, eastern district of Michigan, to be adjudicated by a judge granted the judicial authority granted by the Treaty of Marrakesh 1786 Article XXI, the 1789 constitution for the united states of America in Congress assembled, Article III §2§§1, and the Judiciary Act of 1789 1stat73, §9, §11, §16, §20, §25, and §26, in the exclusive Equity jurisdiction, without THE UNITED STATES DISTRICT

Court EASTERN DISTRICT OF MICHIGAN SOUTHERN DISTRICT, which is a tribunal, not judicially authorized under Article III §2§§1, or the Judiciary Act of 1789, and lacks subject matter jurisdiction over any of Complainant's claims and "is not" cognizant of complainant's special and particular political status as a private Moor subject of the Al Marroc Sherrefian Empire. I walk in the shoes of my ancestors, and as heir and beneficiary, I am clothed with proprietary rights. Complainant's core private rights, which the treaties either confer or are taken under its protection and no adequate remedy for their enforcement is provided by the forms and proceedings purely legal, and modes of acquiring jurisdiction martial in character, repugnant to the powers granted to the Committee of States, by the united states in Congress assembled, in the Articles of Confederation, in the recess of congress the equity jurisdiction vested by the

Articles of Confederation, Article XII, the Treaty of Marrakesh 1786, Articles XVI, the 1789 constitution for the united states of america, Article III §2§1., and VI. §1, §2, §3; cannot be affected by the emergency enactment of legislation by the provisional Committee of States, or the states, contractors, or agencies that are subject to the laws of united states for the district of Columbia. Complainant's core primary equitable rights, expressed herein, are "not" cognizable at law and are in jeopardy of being irreparably destroyed. It is only under legal compulsion that I, as a private Moor, am subjected to any jurisdiction other than the exclusive equity jurisdiction. I draw into question the validity of any works, doctrines, ideas, principles of, or any authority exercised, at law, on the grounds that they are repugnant to the Maxims of Equity, the treaties, and the constitutions of the unite states of america in congress assembled. Furthermore, the private fiduciary relations, if not sealed, excluding the public and press would cause all parties irreparable harm and may destroy the private rights of the parties considering the special and confidential information and evidence in support of my special cause in the exclusive equity jurisdiction.

"Where there is a conflict between the Maxims of Equity and the rules of the Common law over the same subject matter, Equity shall prevail"
